Sponsor Opportunity: We are currently exploring the possibility of upgrading the floodlights on our smaller training pitch. When complete this will leave us with two state of the art LED floodlit pitches as well as our main playing pitch. The existing eight columns on the smaller pitch are adequate with just the eight heads needing to be upgraded. The approximate project cost is £8 – 10k with all labour being provided on a voluntary basis. Due to recent major capital works at Watty Graham Park, our intention is to complete this upgrade at no further cost to the club. To fund the works, we are looking at getting each of the eight columns sponsored at £1000 each. Sponsorship for three columns has already been secured from three kind sponsors. The remaining column sponsors can be from a business, an individual, a family or a collective of supporters. If interested in providing sponsorship or looking more information, please contact Ciaran Molloy on 07752898710.

Coffee morning: There will be a Coffee morning in the Glen Centre on Saturday 28th September. All proceeds in aid of Macmillan Cancer Support. All welcome!
